PUBLIC SAFETY RADIO DISPATCHER (FT) (8514)
PUBLIC SAFETY RADIO DISPATCHER (PT) (8534)

CLASS CODE: 8514/8534		
DEPARTMENT: Varies	ACCOUNTABLE TO: Varies	FLSA STATUS: Non-Exempt

CLASS SUMMARY

Under general supervision, performs work of moderate difficulty in dispatching police, fire, and emergency medical personnel and equipment. Performs related work as required.

DISTINGUISHING CHARACTERISTICS

Incumbents are required to handle the full range of telephone answering and dispatch functions. This class differs from Senior Public Safety Dispatcher in that incumbents of that class act in a supervisory capacity over a segment of the dispatching operations on a given shift or function within a specialized assignment.

QUALIFICATIONS

(These qualifications are typically required. An equivalent combination of education, experience, knowledge, skills and abilities sufficient to satisfactorily perform the duties of the job may be substituted.)

Minimum Qualifications**Education and Experience**

Successful completion of high school and three years of experience working in public contact employment, or one year experience as a Public Safety Communications Specialist (8515).

Acceptable Substitutions

A General Education Diploma (GED) may be substituted for the completion of high school. One year current experience as a journey level dispatcher or calltaker with a radio dispatch center or a call center may be substituted for the one year experience as a Public Safety Communications Specialist.

Licensing Requirements

None.

Other Qualifications (position requirements at entry and depending on area of assignment):**Basic Knowledge, Skills and Abilities**

- Knowledge of the techniques, procedures, policies, and methods used in the operation of a moderately sized public safety dispatching center.
- Knowledge of the operation of computer aided dispatch systems, video display terminals, radio dispatching consoles, and associated equipment.
- Knowledge of standard public safety radio procedures.
- Ability to read, write, spell, and speak in clear and concise English.
- Ability to pass an intensive police background investigation.
- Ability to deal tactfully with the public and others.
- Ability to follow oral and written instructions.
- Ability to learn and interpret maps.
- Ability to work in a confined area and wear a radio headset.
- Ability to retain composure and work accurately under pressure in emergency situations.
- Ability to type.
- Ability to learn to accurately and quickly enter information in the computer system while receiving information via radio and telephone.

Desirable Qualifications

- Knowledge of City emergency telephone answering and law enforcement or dispatching policies and procedures.
- Knowledge of primary roads, streets, highways, areas, major buildings, and public facilities within the City's boundaries.
- Ability to analyze responses from law enforcement computer networks for compatibility with the original request.
